

## Britespot ES111 / ESD111

SA BRITESPOT ES111 35W 8°

0020200

### Range Features

- Attractively styled lamp adds a touch of class to lighting designs
- Very high efficiency thanks to the large reflector and patented anti-glare optics
- Crisp, powerful white light with outstanding colour rendering index of Ra90
- Extremely high intensity possible with narrow beam versions, ideal for accent lighting
- Easy to install due to the robust new GX10 twist and lock cap
- Operation on compatible electronic gear according to IEC61167
- Wide range of interior applications in shops, restaurants, hotels, galleries and many other cultural and leisure venues
